Important Notice

- Try to avoid sending emails to our personal accounts, especially on Weekends and Holidays.
 - *Respect professors private life.*
- Use Q/A Forum in the Moodle.
- Students are requested to form a community and discuss in the Forums.

Examination Pattern

- Quizzes and Final Exam will have Negative Grading
 - Correct answer will get you 1 mark.
 - Incorrect answer will get you -1 mark.
 - Use “skip” option will get you 0 mark.
- Exercise carry no negative marks.
- Delay submissions without a permission by default loose 25% of the marks.
- Top-3 students who raises questions and answers in Q/A forms will be awarded BONUS of 10 marks.

Grading

- Relative Grading
- Student who gets highest marks in both quizzes and exercises will be considered as 100 marks
- Your actual marks will be:
$$\frac{\text{yourTotalMarksInMoodle} * 100}{\text{highestMarksGotByStudentInMoodle}}$$

highestMarksGotStudentInMoodle = 700

- Example:

YourTotalMarksInMoodle= 650

Your actual marks. = $(650/700) * 100 = 92.8$
